- 1 Information about the Special Health Check-ups 2023
- 2 Kawachinagano National Health Insurance focuses on metabolic syndromes and provides Special Health Check-ups and Specified Guidance to detect high blood pressure and diabetes at their early stages and to support citizens in changing their ways of life such as exercise habits, diets, and smoking. Let's take an annual Special Health check-up to learn about your health condition.
- 3
  - Eligible people

Citizens with Kawachinagano National Health Insurance aged between 40 and 74 years old at the end of the fiscal year.

Those who are being treated should take it after consulting their family doctor.
- 4
  - Contens of the Special Health Check-up (Basic Items)

Inquiry and physical measurements		Inquiry (illness history, medicine history, smoking, etc.)/measurements of height and weight , abdominal girth, and blood pressure
Blood tests	Examinations of blood lipid levels	Neutral fat/HDL cholesterol/LDL cholesterol (or non-HDL cholesterol)

If you take the Check-up within the city, all of you can take an anemia test and an elecrocadiogram test.

※When the test values meet certain criteria and a dotor approves, you will be given a fundusopic test, an anemia test, and an electrocardiogram test.

- 5
  - The medical institutes in Kawachinagano provide the following test as supplements.

Blood tests	Kidney function test	urea nitrogen
	Anemia test	numbers of red blood cells/hemoglobin/hematocrit
	Other tests	numbers of white blood cells/platelets/albumin/total cholesterol
Urin test		the existence of occult blood
Electrocardiogram tests		the existence of heart failure

6 •The fees for the tests are free. If you take a thorough medical check-up or various cancer screenings, you must pay part of its fee.

7 •Implementation Term

From the day you receive the Special Health Check-up Card until March 31st, 2024. (For those turning 75 years old, until one day before the birthday.)

8 •Other

If you move out of Kawachinagano City or join your company's health insurance, you are no longer a member of the National Health Insurance and can not use the Special Health Check-up card. If you take a medical check-up after losing eligibility, you must pay the full medical fee. Please be careful that when you join a new health insurance such as social insurance, you might lose your eligibility for National Health Insurance retroactively. Also, you can not take the city's thorough medical check-up, so please return the Check-up card.

9 The procedure of the Special Health Check-up and the Specified Health Guidance

10 ①You receive a Special Health Check-up Card

We send the citizen member of Kawachinagano National Health Insurance aged between 40 and 74 the Special Health Check-up Card by post.

✕If a person is a member on April 1st, the card will be sent out in May. If you join the insurance during the fiscal year, it will be sent out after approximately two months.

11 ②Choose a method, make an appointment, and take a check-up

12 A. Take a check-up at your family doctor's or a medical institution free of charge

13 1. Use the right chart, "Special Health Check-up Handling Medical Institution," as a reference and make an appointment.

If you hope to have a cancer screening (not free) , please talk to the medical institution when making an appointment.

As for the detail of a cancer screening, please call the Municipal Health Center (Health Promotion Division);

0721-55-0301

14 2. Bring the Special Health Check-up Card (fill out the form in advance) and the Insurance Card (Kawachinagano National Health Insurance) and take the check-up.

15 B. Take a group health check-up free of charge

✕If it's a cancer screening, you owe part of the fee.

16 1. Make a reservation at the Welfare/Health division at the city hall

Please call the Welfare/Health division, at 0721-53-1111 while keeping your health insurance

card and health check-up card at your side.

Or, make a reservation from the QR code on the right.

Schedule:

①October 20 (Fri)    ②November 11 (Sat)

③December 22 (Fri)    ④February 17 (Sat)

※You can make a reservation as soon as you receive this information. A Cancer screening's due date is 4 weeks before the check-up you will take.

Venue: Kawachinagano City Health Center

17 2. Bring the Special Health Check-up Card (fill out the form in advance) and the Insurance Card (Kawachinagano National Health Insurance) and take the check-up.

18 Please wear a mask when you go to a health check-up or medical institution.

19 ③Notification of the result

20 A. If you took a check-up at a medical institution in Kawachinagano city, please get the result there.

When you need to change your lifestyle, someone such as a doctor at the institution you took the check-up will inform or direct you about specific health guidance.

If you took the check-up at an institution outside Kawachinagano, judging the risk of lifestyle-related disease, the city would send the result to you approximately three months after the check-up.

21 B. In the case of the group health check-up, the city will send the result to you approximately a month and a half after the check-up.

22 The Result of Cancer Screening

- As for the Colon Cancer examination, please get the result at the institution you went. (The result won't be sent to you.)
- As for the Cervical Cancer examination, the institution you went will send the result to you in 3 or 4 weeks after the examination.
- As for Lung, Stomach, and Breast Cancer, the Health Center will send the result in 4 to 5 weeks after the examination.
- Judging from the result of the lung cancer and the stomach cancer examination, if you need a more specific examination, the medical institution will give you a notification of the result and an explanation.

23 ④Get a Specific Health Guidance

Judging from the result of the Special Health \_check-up, those who with a high risk of

lifestyle-related disease can have specific health guidance.

It's free. Please feel free to use that.

☆As for a cancer examination, making an appointment at a medical institution is necessary.

※The male citizens born between April 2, 1962, and April 1, 1979, can take the Rubella Antibody examination at the same time as the Special Health Check-up.

As for the rubella antibody examination, please call the Health Center (tel: 0721-55-0301)

- 25 Kawachinagano City National Health Insurance Comprehensive Health Examination Project  
(Thorough Medical Check-up)
- 26 ✕You must apply to the city hall before taking a thorough medical check-up. If you apply after taking the check-up, it is not subject to the Kawachinagano City National Health Insurance Comprehensive Health Examination Project and you must pay the whole cost of the medical fee.
- 27 Purpose
- 28 Our goal and purpose is to prevent diseases and promote finding and treating diseases at their early stages for Kawachinagano National Health Insurance members. To achieve this, we implement this project and reduce the medical costs for medical check-ups.
- 29 Procedure of a Check-up
- 30 1. Make a reservation at a thorough check-up handling institution  
Please make a reservation at a thorough health check-up handling institution designated by the city. Tell them that you are a member of Kawachinagano National Health Insurance and set a date and a course.
- 31 2. Submit the application to the Welfare/Health division in the City Hall (You can mail it, too.)  
Please submit a "Reservation Application" with the Special Health Check-up card to the Welfare/Health division by two weeks prior to the check-up day. If you come to the division to apply, the Health Insurance card is needed.
- 32 ◎The application form is available in the Welfare/Health division. (You might be asked to show your Health Insurance card)  
◎It is also downloadable on the city's website.
- 33 Home > Life/Environment > Insurance/Pension > National Health Insurance >  
Information about **【National Health Insurance Complete Medical Check-up】**
- 34 3. Take a check-up at a medical institution  
As for the detail of the check-up, please confirm at the institution.  
After the check-up, please pay your copayment at the institution. (As for the optional items in the check-up not designated by the city, please confirm with the institution. )
- 35 Eligible people
