

"These three years were meaningful. I had a very good time in junior high school. My favorite memory of junior high school was School Trip. Because I was able to enjoying everything . For example , It was fun to talk with my friends in our stay room .

We talked about our school lives and our favorite things . It was a good chance to know each other. There were other things that I was fun for me. It was exciting and fun .I have never had such an experience . I learned enjoying something is the most important. I will never forget my

School Trip .

R.S.

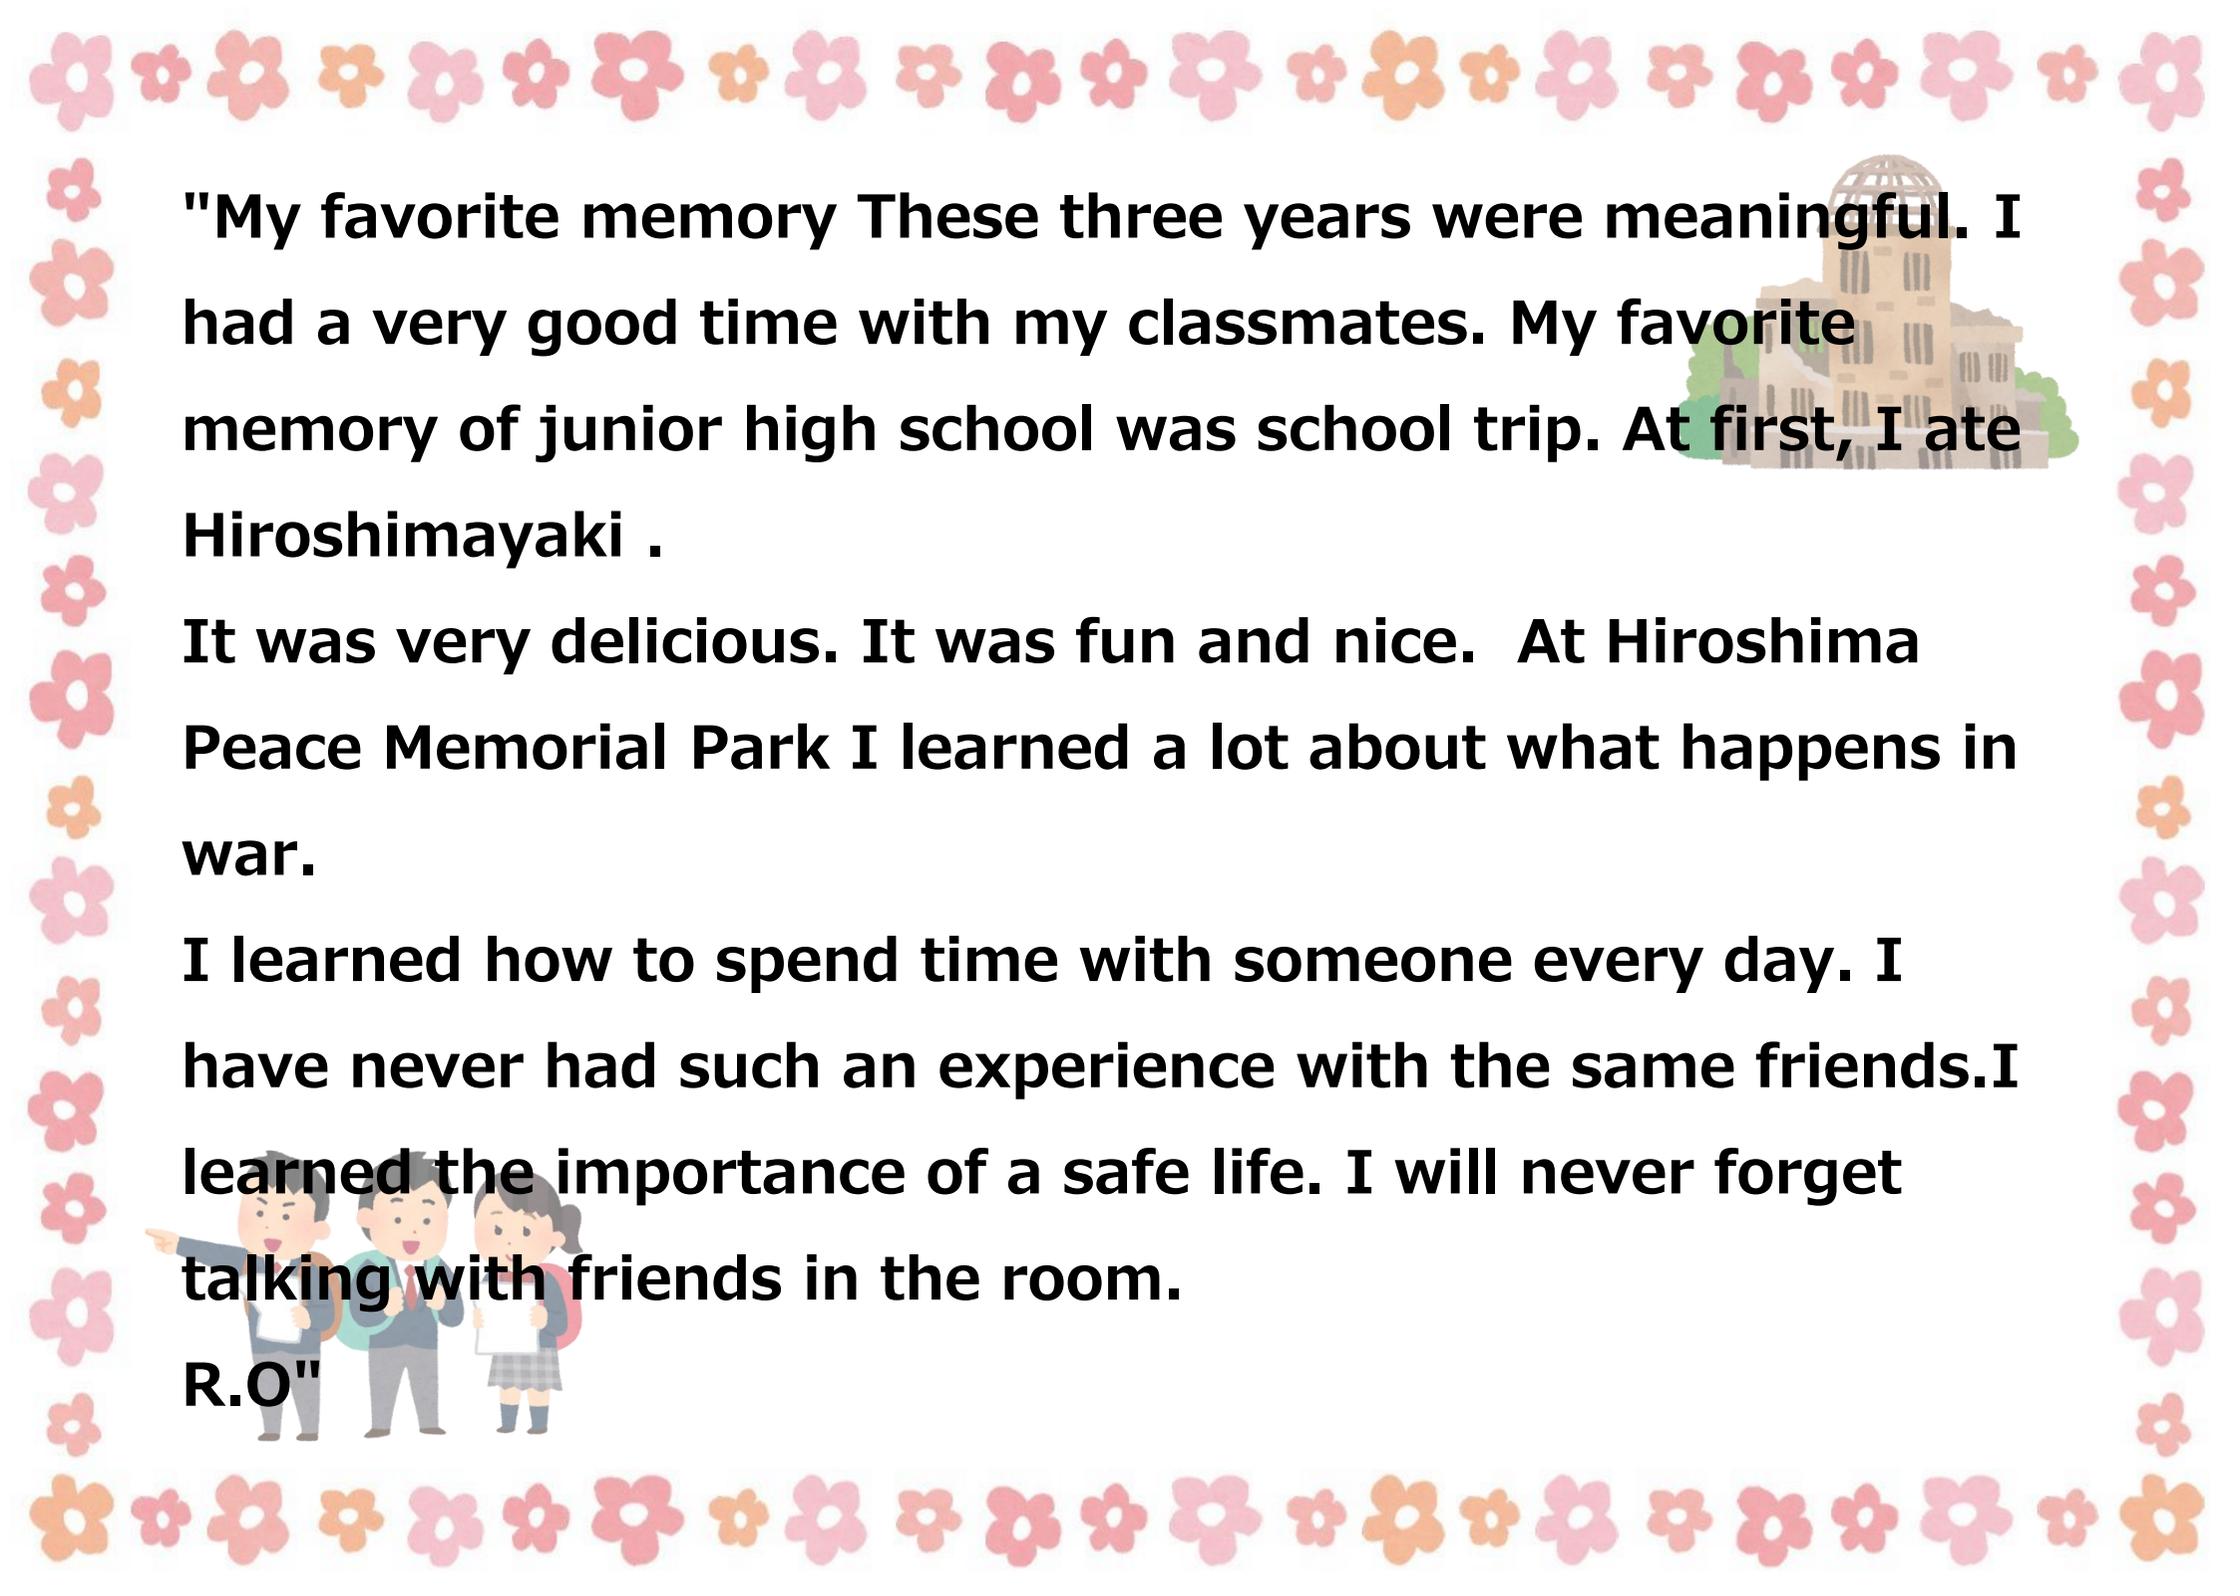

"My favorite memory These three years were meaningful. I had a very good time with my classmates. My favorite memory of junior high school was school trip. At first, I ate Hiroshimayaki .

It was very delicious. It was fun and nice. At Hiroshima Peace Memorial Park I learned a lot about what happens in war. I learned how to spend time with someone every day. I have never had such an experience with the same friends. I learned the importance of a safe life. I will never forget talking with friends in the room.

"My favorite memory of junior high school was school trip.

At first, I didn't know much about the war. In the end, I learned the importance of world peace. It was difficult and wonderful.

I enjoyed every day. I have never had such an experience. I learned the importance of world peace. I will never forget my friend's memories.

Y.K.

"One of my best memories in junior high school is going to the Osaka Expo and seeing the Gundam statue. It was very big and

I was surprised. When it moved and shone. I Was very impressed. Another good memory is the big rope jump at the sports festival. At first, our class could not jump well. We practiced many times and helped each other. On the day, we tried our best together. These experiences taught me the importance of working as a team."

My best memory is the school trip. We went to Hiroshima and Yamaguchi. It was three days. On the first day, we visited the Atomic Bomb Dome in Hiroshima. We hope that we have a peace world without war. We learned how war is. On the second day, we went to Itsukushima shrine. We bought some souvenirs there and looked around. On the third day, we went to a homestay. We made pizza at the homestay and went to the beach. I was able to study and we had fun.

"I want on a school trip to Nagasaki. I stayed at local people's house in Aoshima. I had a homestay, they were very kind to us.

I ate fresh meals, sashimi, tempura, nikujaga. It was very delicious. And my stomach is full. Also, I enjoyed fishing. It was very difficult. But it was fun. Because I caught a lot fish. I wanted to go fishing again. I enjoyed fieldwork in Dazaifu. I ate matcha ice. It was very delicious. I had a

good time."

From June 11th. to 13th. I went on a school trip to Nagasaki. On the first day,

I ate Nagasaki champon. I was able to get the authentic taste. It was very delicious and rich. I drank the tea which has been ranked the best in Japan

with it. It was the most delicious that I have ever drunk. The next day, I saw the mountain whose top was covered with fog. It looked like "sea of clouds". I was moved by it.

I wanted to see the scene again. There were also fireflies around and they were beautiful. After that, I enjoyed trout fishing. When I caught two fish, I became very sad. Then I grilled fishes with salt. When I grilled them, it was still alive. Because of this, I knew that life is very important.

We should say "Itadakimasu" and "Gochisousama" to thank for our culture. I played cards with my host family. It was so fun. I learned that to communicate with people is very important. I also felt that communicating is very important. I would like to make use of this experience from now on. This experience makes me happy. I had a good

time.

"I was a team leader at my school sports festival. It was a very good experience for me. As a leader, I talked with my team members every day. I tried to listen to their opinions and encourage them. Sometimes it was difficult because we had different ideas, but we worked together. I learned how important teamwork is. I also learned to take responsibility and not give up. Through this experience, I became more confident. I want to use what I learned in my future school life."

My best memory is the school trip. I have three reasons. First I learned about the atomic bomb. I understood the importance of peace there. Second it is hotel time. I eat a snack with my friends at the hotel. I think that they usually can not do so was fresh. Third I went to Miyajima in Hiroshima. It looked like a shopping street. I did a lot of eating there. And I bought gifts to my family. I think that these reasons is the school trip my best memory.

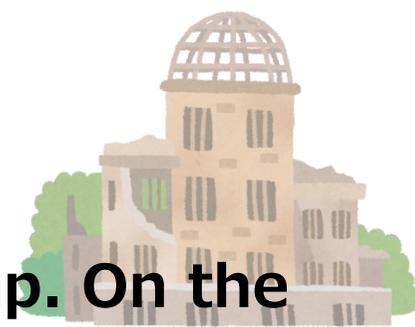

"My best memory is club activity. I join the tennis club. I practice tennis for times in a week. It's hard to practice for example, running practice. It was very interesting. I take part in citizen convention we lost the match it was fun and we learned a lot of things. I was able to get 5th place in the last regional tournament. we all had a lot of fun eating watermelon at the last practice, this will always be my best memory."

My favorite memory of junior high school is chorus contest that I was in the third grade. When we started practicing chorus, it was difficult for us to make good harmony. However, we practiced many times. As a result, we were able to win the first prize. I was very happy. I learned the joy and importance of practicing hard together to achieve our same goal.

"Tittle_School trip to Hiroshima_

The most fun memory for me was the school trip. On the trip,

I saw the Atomic Bomb Dome and the Atomic Bomb Museum, and felt very scared. I realized that war should never happen. On the second day, we went to Miyajima and ate fried maple leaves and oyster curry bread. It was delicious. On the third day, we went to a private lodging.

We had a barbecue for dinner and enjoyed ourselves. It was a great school trip."

"My best memory is the school trip to Hiroshima. During the trip we are in Shin Osaka-station and the restroom was something wrong, it took a long time together because there were only a few toilet. The okonomiyaki was delicious. I heard NG word in Hiroshima is Hiroshima-yaki. I visit to the Genbaku-dome. I learned about the war. I didn't get much sleep at the hotel. Next day, we went to the Miya-island. Oyster with lemon juice were very delicious. My homestay family were very kind. I slept better in the homestay than in the hotel. When I went back to Osaka, everything looked like Hiroshima."

"School trip to Hiroshima_ My favorite memory is the school trip. I went to Hiroshima. I visit the atomic bomb dome with my friends, it was very big. I also went to Miyajima with my friends. It was fun. I ate Momiji Manju with my friends, it was so good. I went to an aquarium with my friends, it was fun. I stayed at home that people live in Hiroshima with my friends. I made hamburger steak with the family. It was tasty. I played card with my friends. It was fun."

"School Trip"

My favorite memory is the school trip to Hiroshima. We talked and played hand games on the bus. At the Atomic Bomb Dome, we sang songs about peace. The guide also explained various things to us. At the hotel, we all had fun talking and got scolded by the teacher. On the second day, we went to Miyajima. At Miyajima, we went to the aquarium and ate lunch together. At the private lodging, we biked 36 kilometers to our lodging. The sleep was good. On the bus to go back, we chatted with our friends.

"These three years were so special I had a very good time with my classmates." My favorite memory of junior high school was the Entrance Ceremony. It was wonderful and fun. At first, I was nervous but, in the end it was awesome. because I could make friends. My friends talked a lot with me. Sometimes I hurt my friends. But we made up. After that, we can become best friends.

I learned how to make friends. I will never forget my best friends.

H.S.

"My Favorite Memory I'll always remember my teammates. I had great time in baseball team. My favorite memory of junior high school was the last tournament. At first I didn't know how to play baseball. In the end, I learned how to play baseball well. It was exciting and fun. I practiced hard every day. I like playing baseball very much. I learned the importance of teamwork. I will never forget the memory with my friends."

Y.K.

"I will always remember my classmates. I had a great time in junior high school. My favorite memory of junior high school was school trip. We played together during the school trip. Being able to have fun with everyone made me realize once again how important friends really are. I think my ability to take action has improved. Going to Hiroshima on a school trip was a valuable experience for me in learning about the war. It was fun and awesome. I learned the horrors of the war. I will never forget the school trip."

R.K.

"I will always remember my classmates. I had a great time with my friends. My favorite memory of junior high school was brass band club. At first, I didn't know how to play the trumpet. So, it was difficult and hard. But my teammates taught me how to play it. However, I practiced hard with my teammates. So my band was able to win with a good prize last year. We were very surprised and happy. I learned the importance of teamwork.

I will never forget my teammates of club."

S.S.

"My memories of junior school life are from the school trip. On the school trip, we went to Hiroshima. We also visited tourist spots like Miyajima, which was fun. The Atomic Bomb Dome and staying with host families are particularly good memories. At there, we heard stories about the war from people of Hiroshima.

I think that war must never happen again. While staying with host families, we went to the sea. It was fun to collect seashells and take photos. We also had the valuable experience of cooking things like the shallots that the host family grew and making Hiroshima cooking, which was enjoyable. It was opportunity to learn a lot about society, which was very good."

I will always remember my classmates. I had a great time in junior high school. My favorite memory of junior high school was school trip. We played together during the school trip. Being able to have fun with everyone made me realize once again how important friends really are. I think my ability to take action has improved. Going to Hiroshima on a school trip was a valuable experience for me in learning about the war. It was fun and awesome. I learned the horrors of the war. I will never forget the school trip.

I went on a school trip to Nagasaki. We visited the Nagasaki Atomic Bomb Museum, Kamishisa, Dazaifu Tenmangu Shrine and so on. The most memorable experience was homestay in Kamisama Because I have never done trout fishing, cooking them and eating them. By the way they were very delicious. I also went to Dazaifu Tenmangu Shrine. I remember that the shrine is so large. I ate matcha ice cream. It was creamy and tasty. Someday, I want to visit Kyushu again. I enjoy visiting shrines and delicious food. I had a good time.

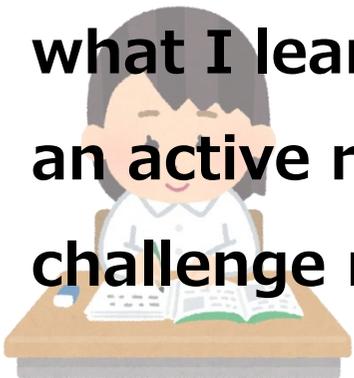

I went on a school trip to Nagasaki. On the first day, We learned about peace. I was very sad. And, we went to the hotel. It was beautiful. On the second day, I went to Kamishima. I enjoyed plant dyeing. It was fun. The local people taught us plant dyeing. I want to go to Kamisha again. On the third day, we went to Dazaifu. It was very excited. And, I bought to many souvenirs. It was very heavy. So I was tired. I had a good time.

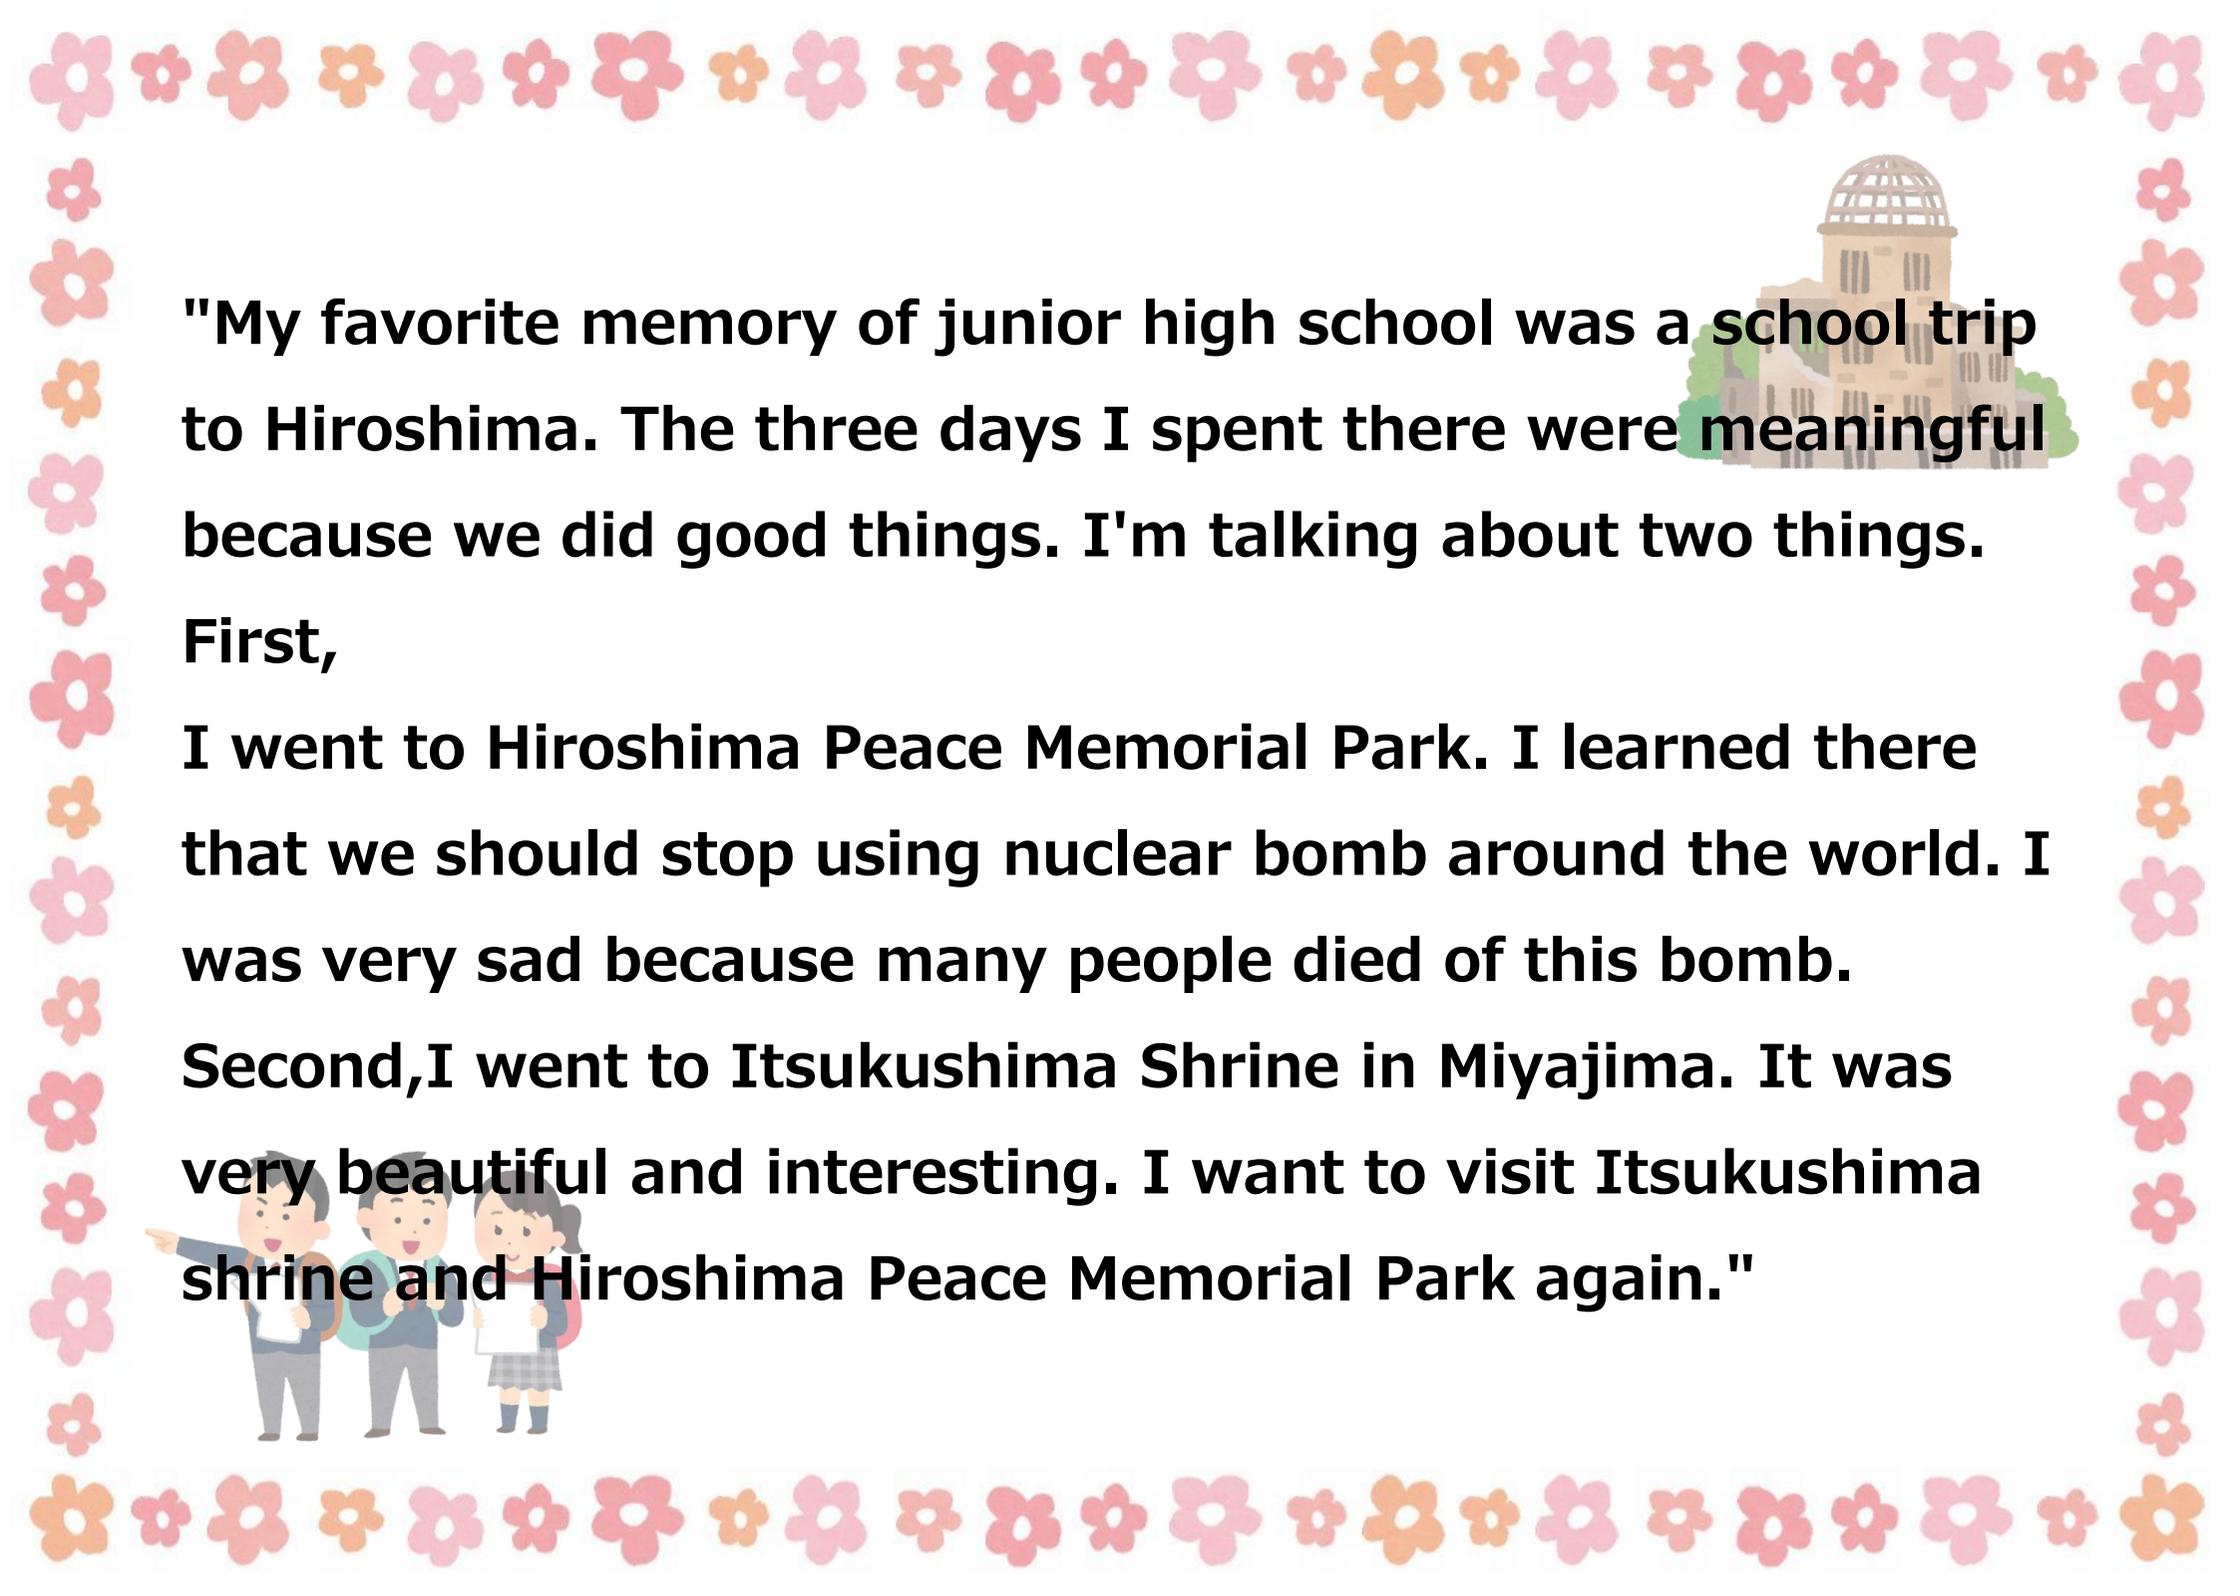

My best memory is the sports festival because it was the last event with my classmates. It was a very special day for me because we worked together toward the same goal. I was a member of the cheering squad, so I practiced hard every day with my friends. Sometimes it was difficult, but we encouraged each other and never gave up. Through this experience, I learned the importance of cooperation, responsibility, and trying my best until the end. I want to use what I learned from the sports festival in high school, take an active role in my class and club activities, and continue to challenge myself.

"I went to Suo Oshima in Yamaguchi on my school trip. It was my first time MINPAKU, so I was very excited. The island was very beautiful. Especially, the view from observatory was very nice.

I was moved. The people was very kind. I helped with farm work. I used machines and I dug potatoes. I have learned how to use machines from my grandmpa. So they said "Good". The boat didn't work, so I couldn't go to sea. Host family's food was very tasty. Especially, I liked aji fry and miso soup. I was suprised that hot water in bath was very hot. But it was OK. I was sad when I go. I will visit again in the future !"

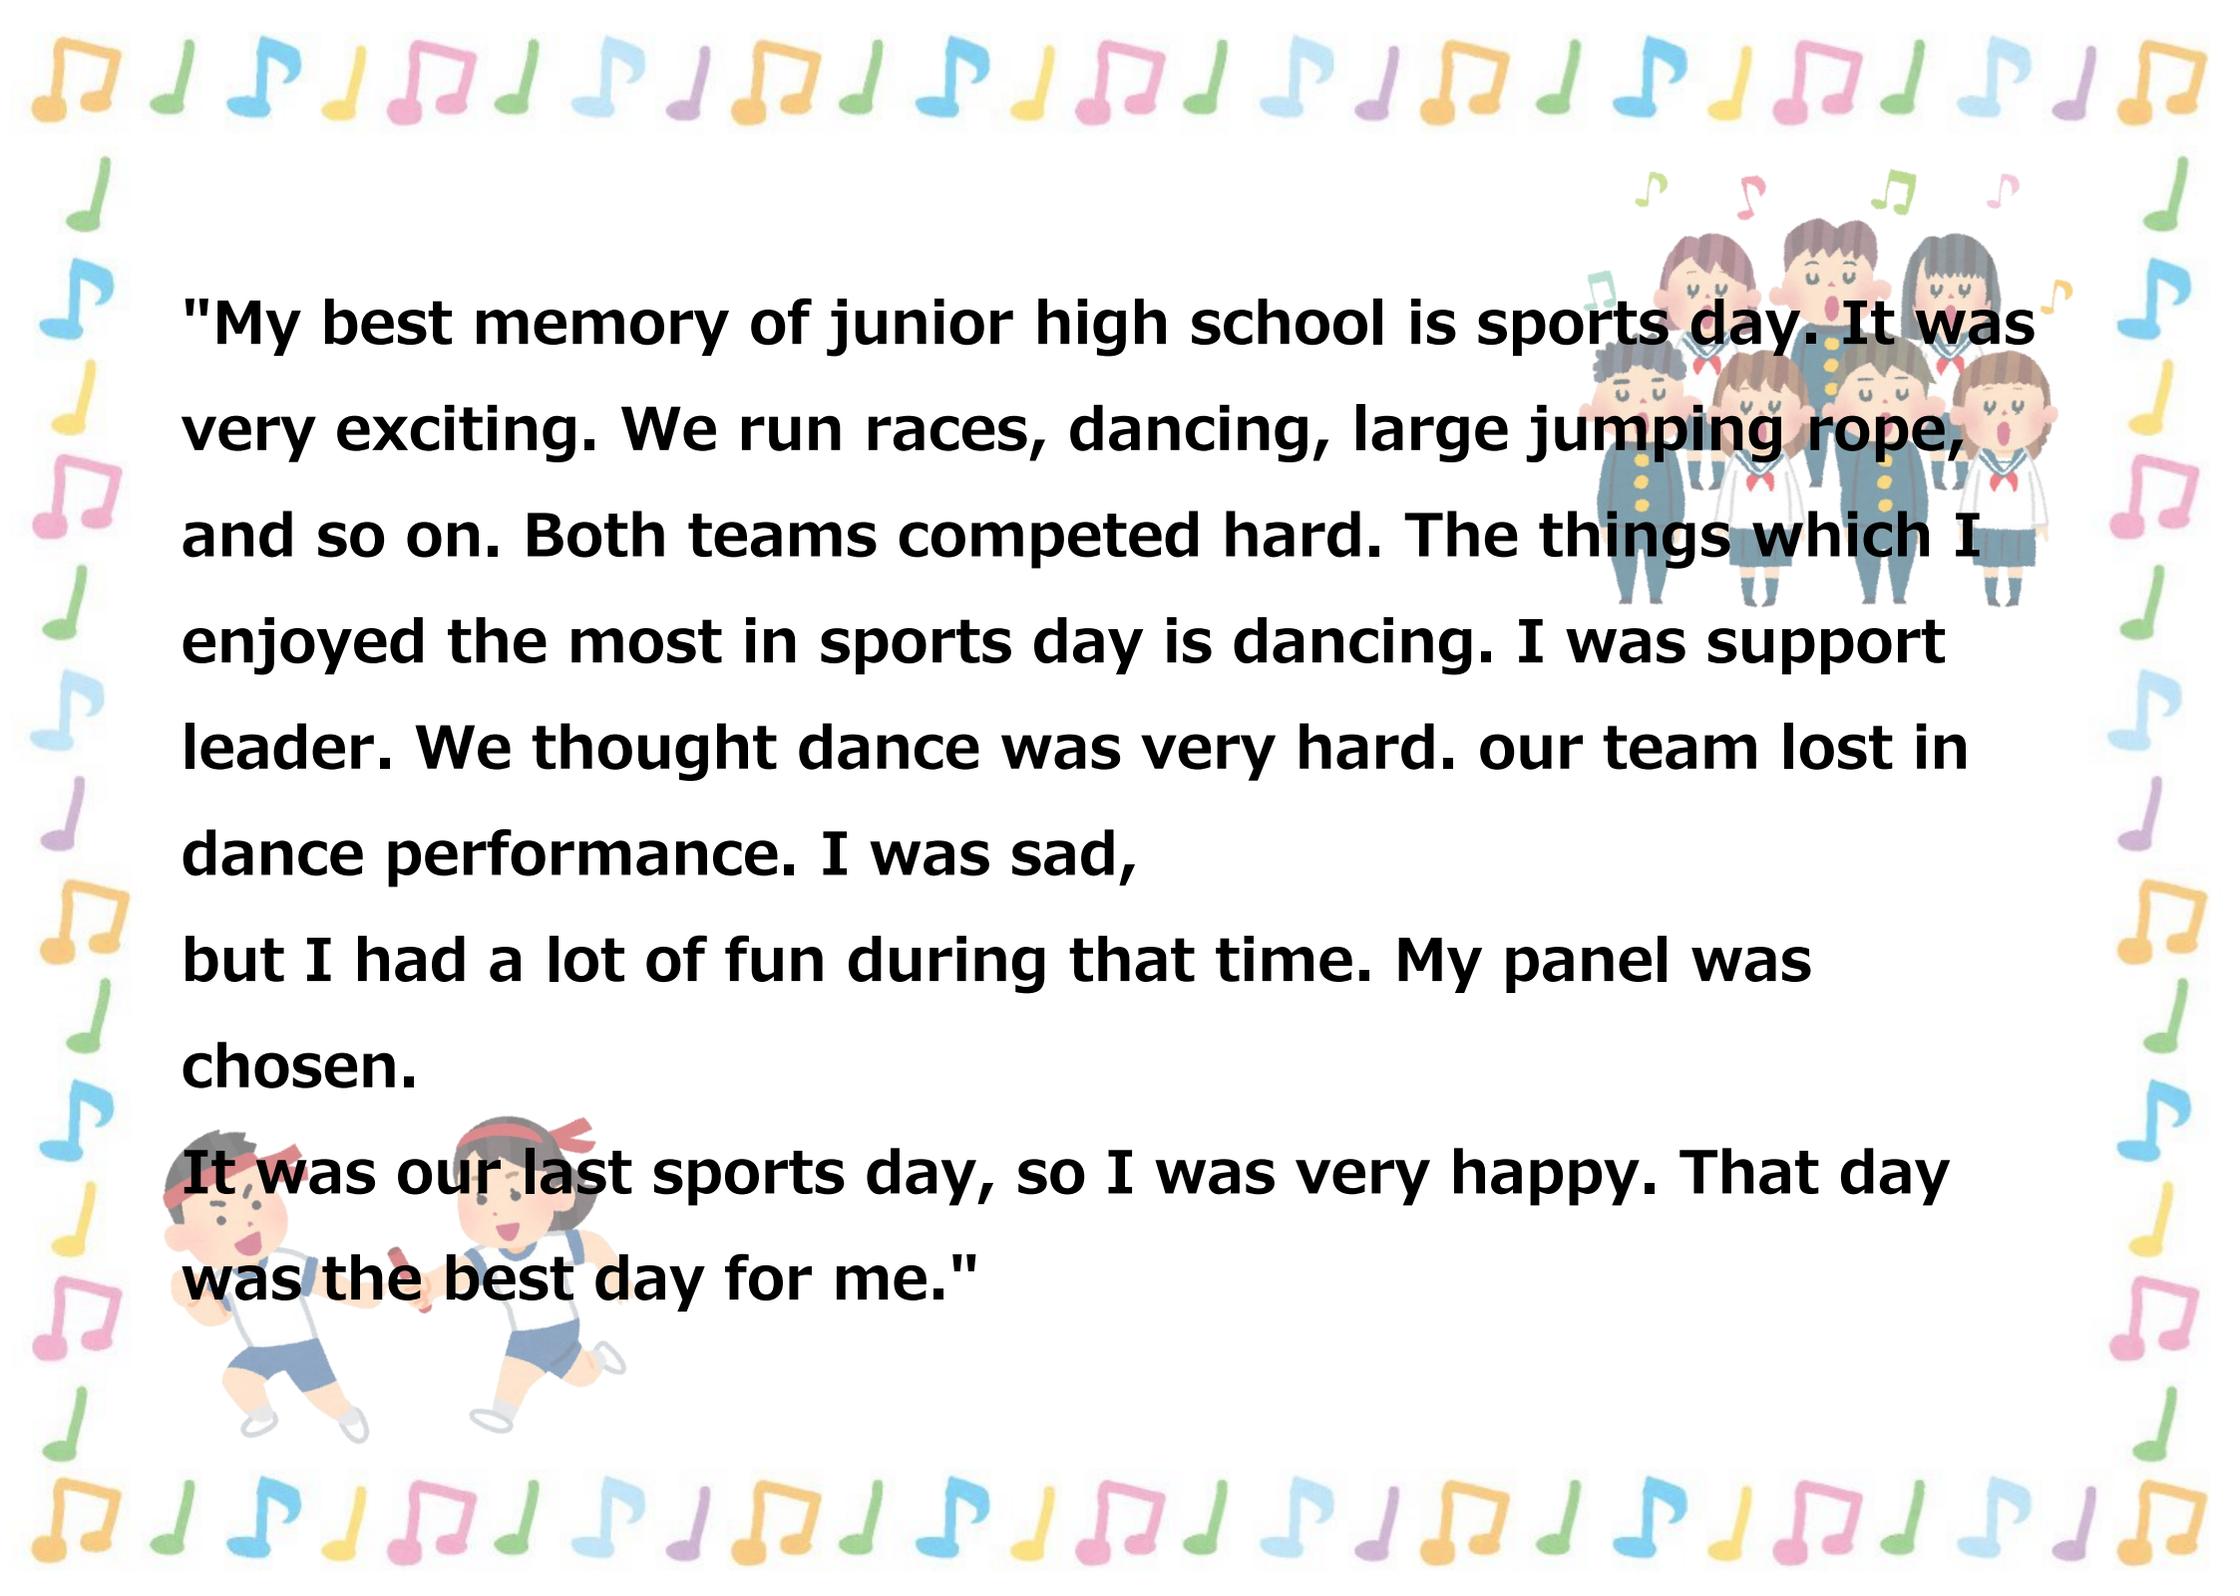

"My favorite memory of junior high school was a school trip to Hiroshima. The three days I spent there were meaningful because we did good things. I'm talking about two things.

First,

I went to Hiroshima Peace Memorial Park. I learned there that we should stop using nuclear bomb around the world. I was very sad because many people died of this bomb.

Second, I went to Itsukushima Shrine in Miyajima. It was very beautiful and interesting. I want to visit Itsukushima shrine and Hiroshima Peace Memorial Park again."

"My best memory of junior high school is sports day. It was very exciting. We run races, dancing, large jumping rope, and so on. Both teams competed hard. The things which I enjoyed the most in sports day is dancing. I was support leader. We thought dance was very hard. our team lost in dance performance. I was sad, but I had a lot of fun during that time. My panel was chosen.

It was our last sports day, so I was very happy. That day was the best day for me."

"I love Chorus Contest♪

My favorite memory of junior high school was Chorus Contest.

I think that Chorus Contest is wonderful events because we can make music together with many people. At the final Chorus Contest of the year, all the students sang ""My Ballad"" and delivered harmonious voice that moved people's hearts. Then,

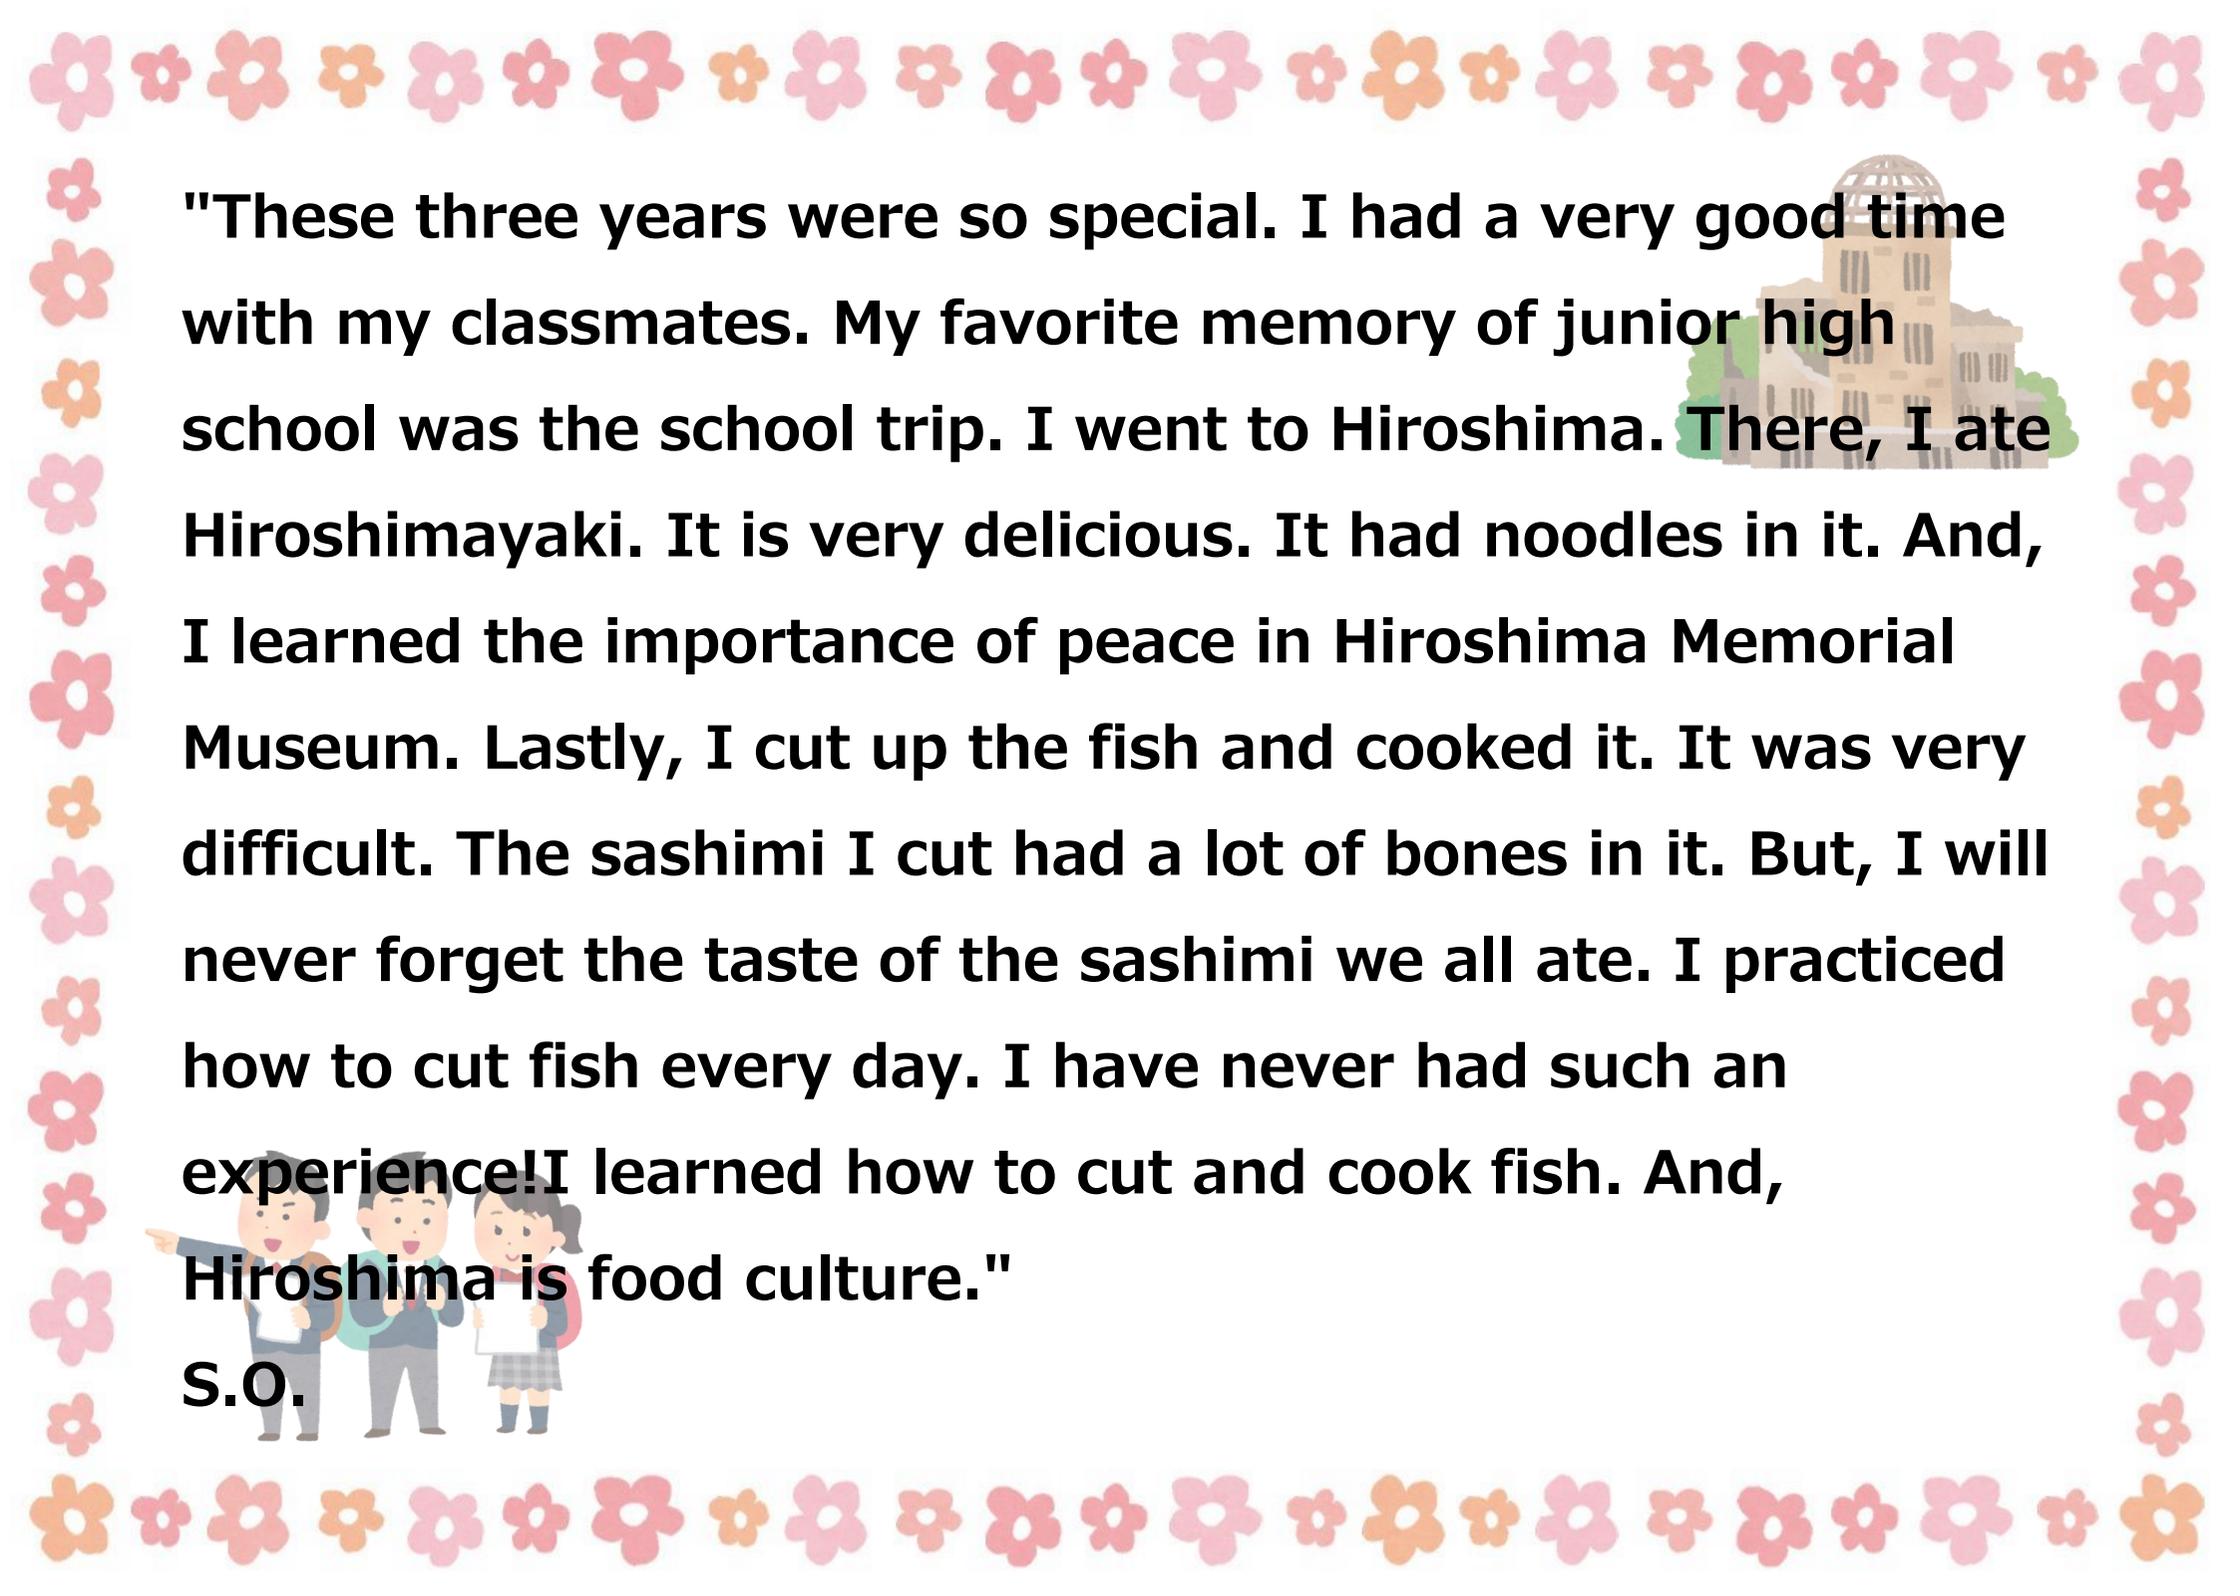

I was my best to sing along with everyone. Also, For three years

I played piano. For example ""Kaijuu no Ballad"" and ""Rainbow"".I practiced a lot, so I was able to support the class. The Chorus Contest where I could get to sing together was my favorite event."

"My most impressive memory is parent-teacher-student meeting. After every meeting my mother got angry in the car." You said that you have already done your homework, haven't you? I know the reason well because I didn't do my homework perfectly. I handed in the workbooks once, but I didn't try them again. It is natural that she got angry. I decided to work hard at that time. However I forgot it next day. I will not repeat the same mistake for my future."

"My best friend I have a best friend. We were in the same class for four years from 11 age. In junior high school, we walked home together every day. I was born an hour after her on the same birthday. So She's like a older sister, like family to me. We go to the same cram school. Now we are working hard together to get into the same high school. Thank you as always, my older sister. Let's go out and have fun even when we become high school students."

"These three years were so special. I had a very good time with my classmates. My favorite memory of junior high school was the school trip. I went to Hiroshima. There, I ate Hiroshimayaki. It is very delicious. It had noodles in it. And, I learned the importance of peace in Hiroshima Memorial Museum. Lastly, I cut up the fish and cooked it. It was very difficult. The sashimi I cut had a lot of bones in it. But, I will never forget the taste of the sashimi we all ate. I practiced how to cut fish every day. I have never had such an experience! I learned how to cut and cook fish. And, Hiroshima is food culture."

S.O.

These three years were so special. I had a very good time with my classmates. My favorite memory of junior high school was sports Day. My classmates supported students who are playing hard. Until now, I didn't like Sports Day because I'm not good at sports. But it was fun and exciting. Also I felt the kindness of my classmates. So I started to like Sports Day now. I learned the importance for team work. I will never forget the relay with my third grade students.

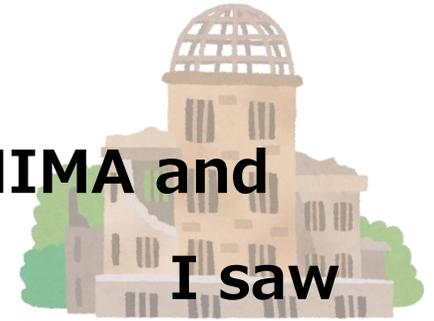

S.K.

I will always remember my classmates. I had a great time in junior high school. My favorite memory of junior high school was school trip. I had a great time with my friends. I realized how important it is to have friends with which I can have a good time. It was fun and awesome. The boat fishing experience was fun, but I didn't catch any fish. It was raining very hard at Himeji Central Park, but I had a great time with my friends. I took pictures of the animals on the bus, but because it was raining I couldn't get good photos. I learned the importance of world peace. I will never forget the peace memorial.

Y.S.

**I have fond memories of school I go to HIROSHIMA and
YAMAGATA**

**the HIROSHIMA atomic bomb for the first time. I was very
shocked I could imagine it after hearing the story**

I saw a performance and visited the museum.

**there were many things i learned at the museum that i
didn't know before the second event since becoming a class
representative. It was so much fun having fun with the**

**evening recreation. The last night we all had a great time
doing recreational activities with the class**

The school trip is a very important event that can only be experienced once in junior high school life. So many students are really looking forward to it. There were two things I enjoyed about the school trip. The first was getting on the boat on the second day. It was very fast and very fun. The second one is the fireworks at the end of the recreational activity on the second night. I love fireworks so it was a very happy experience for me. I'm sure my junior high school trip will remain a vivid memory for me.

My memory of junior high school is coming in first place in Osaka in a soccer tournament. I have two reasons. First of all, I was so happy to get first place at that time. The second thing is that I was able to grow as a person through that tournament. For example, I was able to communicate with my teammates during the game and I was able to see my surroundings, and as a result I played soccer very well.

I worked at a Nantenen for our internship program. There is an onsen which is relaxing and beautiful. I actually, cooked Japanese food and cleaned bathroom and put a lot of amenities. It was very fun for me to work. Cooking made me happy. The staffs are very kind for me. This was a very good experience for me and a great memorys.

My best memory of the sports day was winning the relay race with my team. I have great memories of our sports festival, cheering battle is the best. The sports festival was so much fun! I'll never forget how hard we tried. I cherish the memory of everyone cheering for us during the tug-of-war.

School Trip to Hiroshima

My best memory is school trip. We went by Shinkansen. We played the Yamanote Line game on the Shinkansen. It was so much fun. We ate okonomiyaki in Hiroshima and it was very delicious. We played UNO at the inn. It was so much fun. I did homestay and played with the kids. I had a barbecue with the people at the house It was so delicious. I picked garlic there. The garlic smelled really bad.

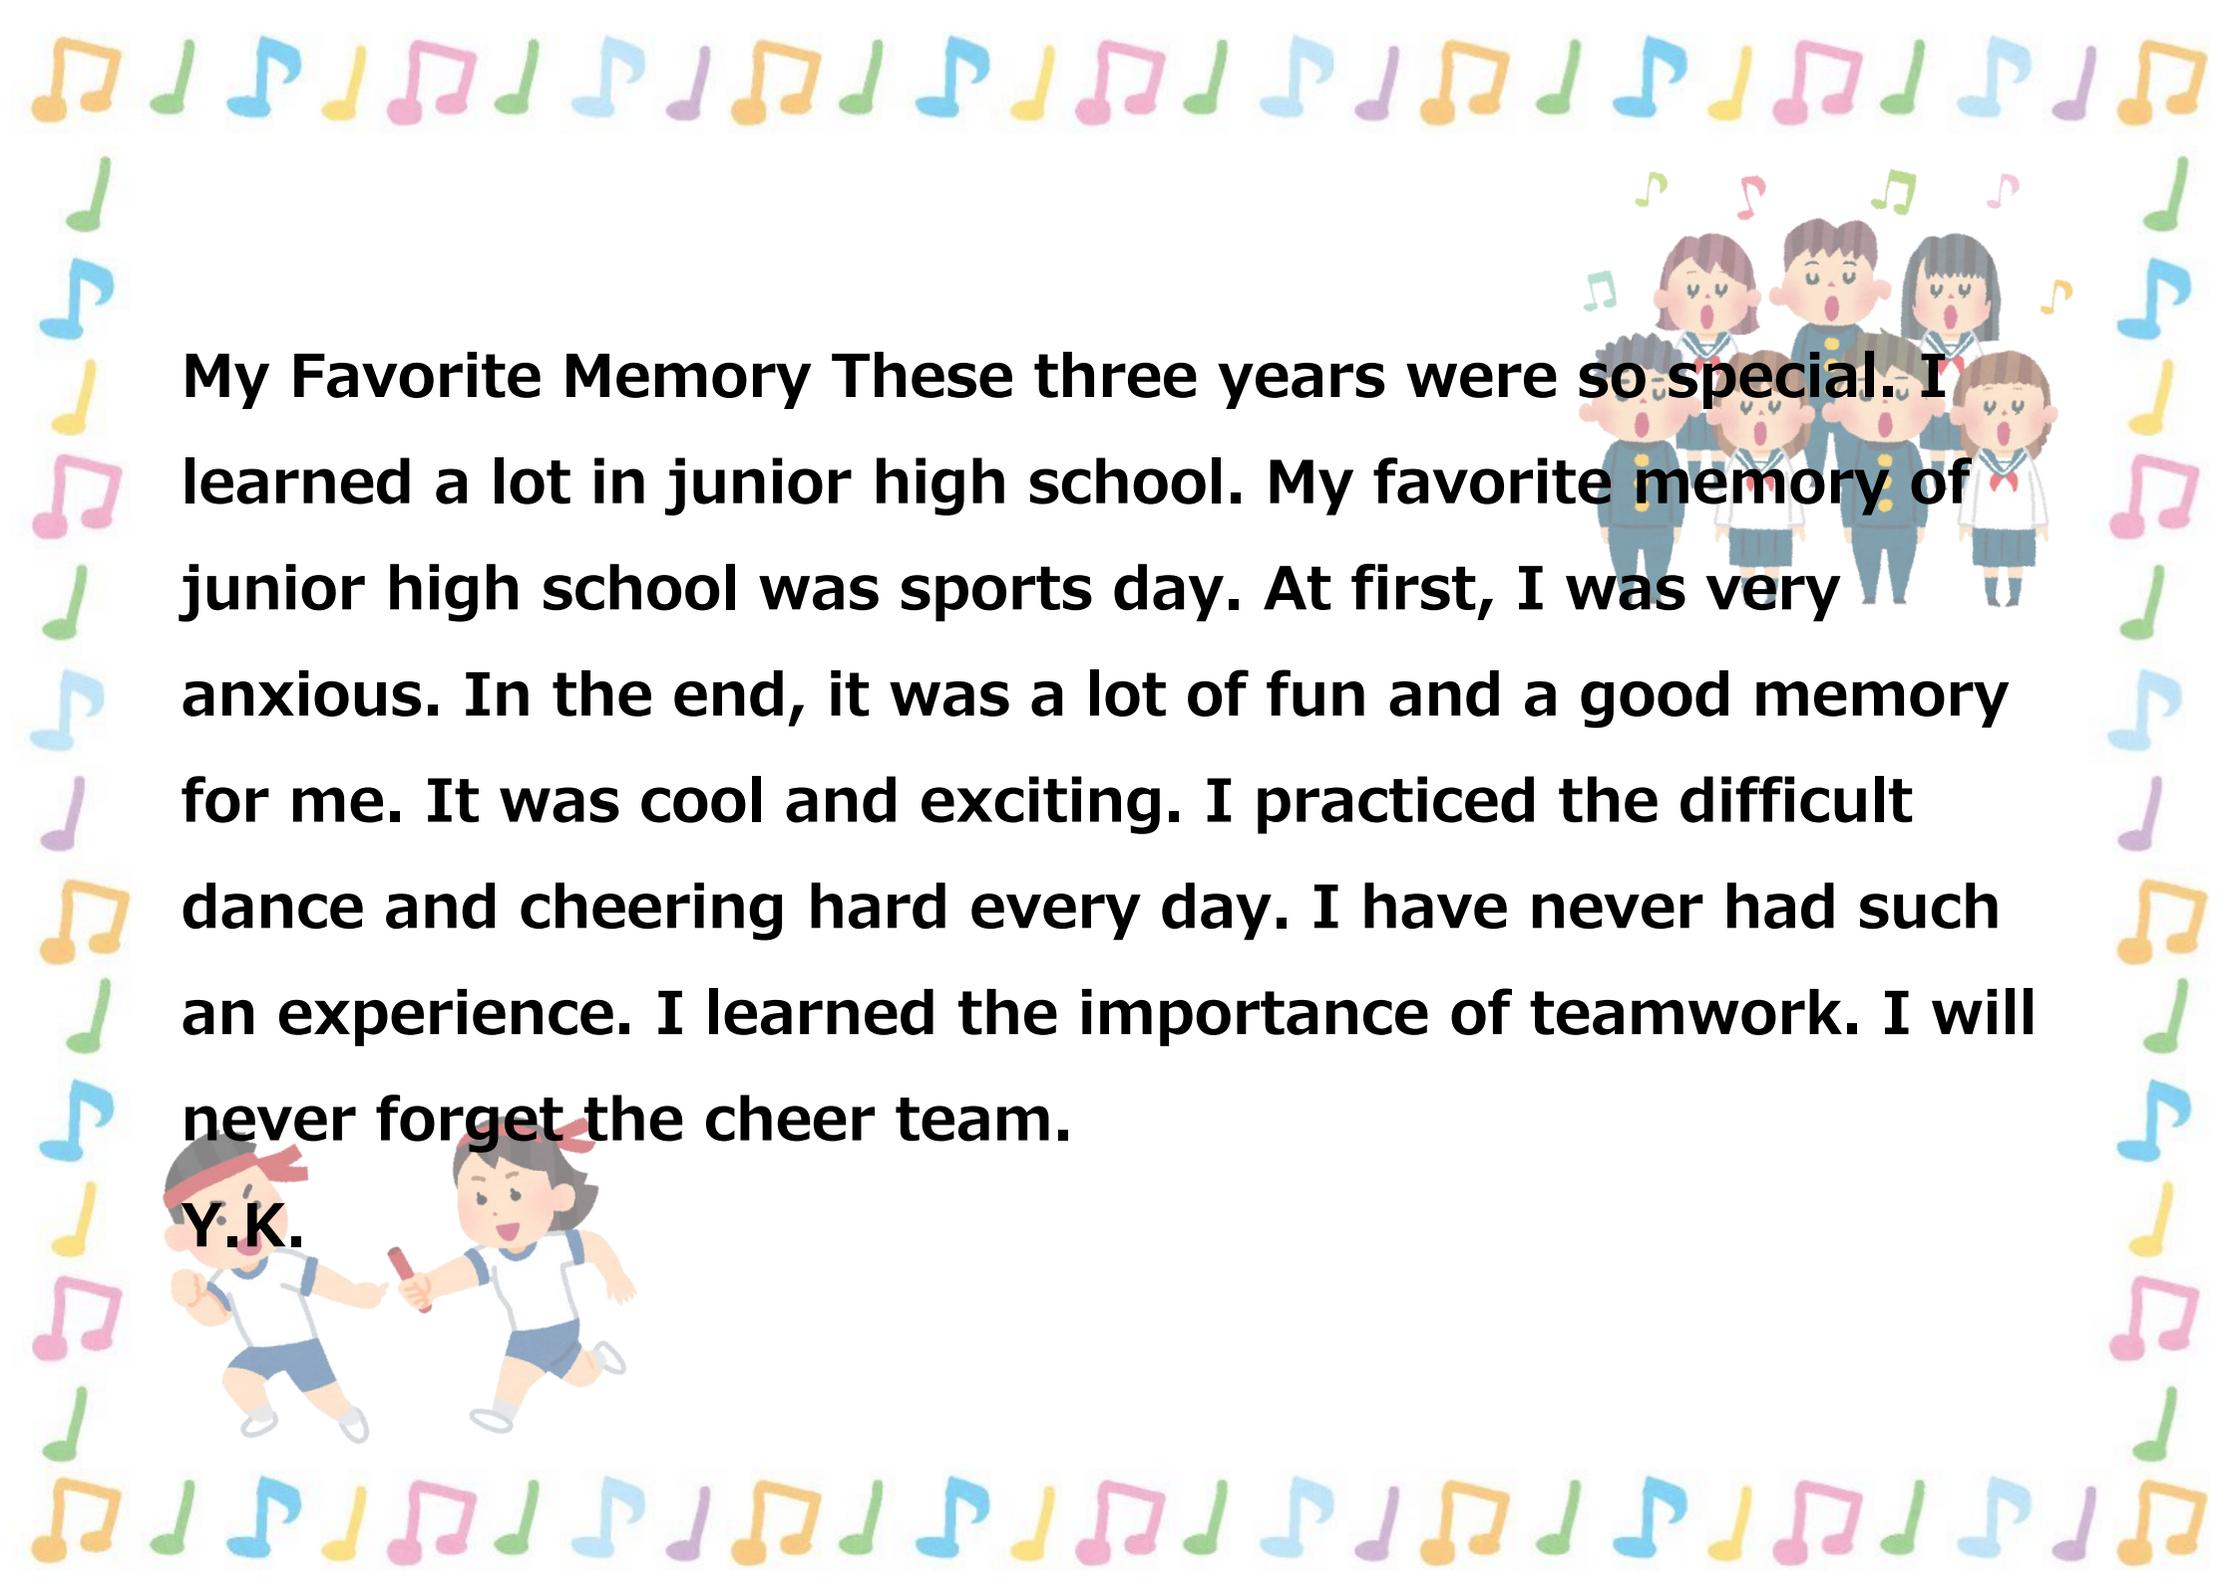

My favorite memory of junior high school was our school trip to Hiroshima. There are four reasons. First, I learned about peace. I had a special time there for me. Second, I ate famous foods which I can not eat my daily life in Hiroshima. It was fun and delicious. Third, I went to some place which I must visit in Hiroshima. I will never forget. Fourth, I took the Shinkansen which was cool . Also I have never ridden it, so it was fun.

Fun Club Activities

My favorite memory is brass band activities. I could learn many things through this activities. The Christmas concert was the most fun for me. Especially, ensemble practice was very hard. But I could enjoy the activities every day.

Through this experience, it made me love music and the clarinet. And, I was also able to deepen my friendships with my fellow members of the brass band. I think I want to continue brass band club in high school."

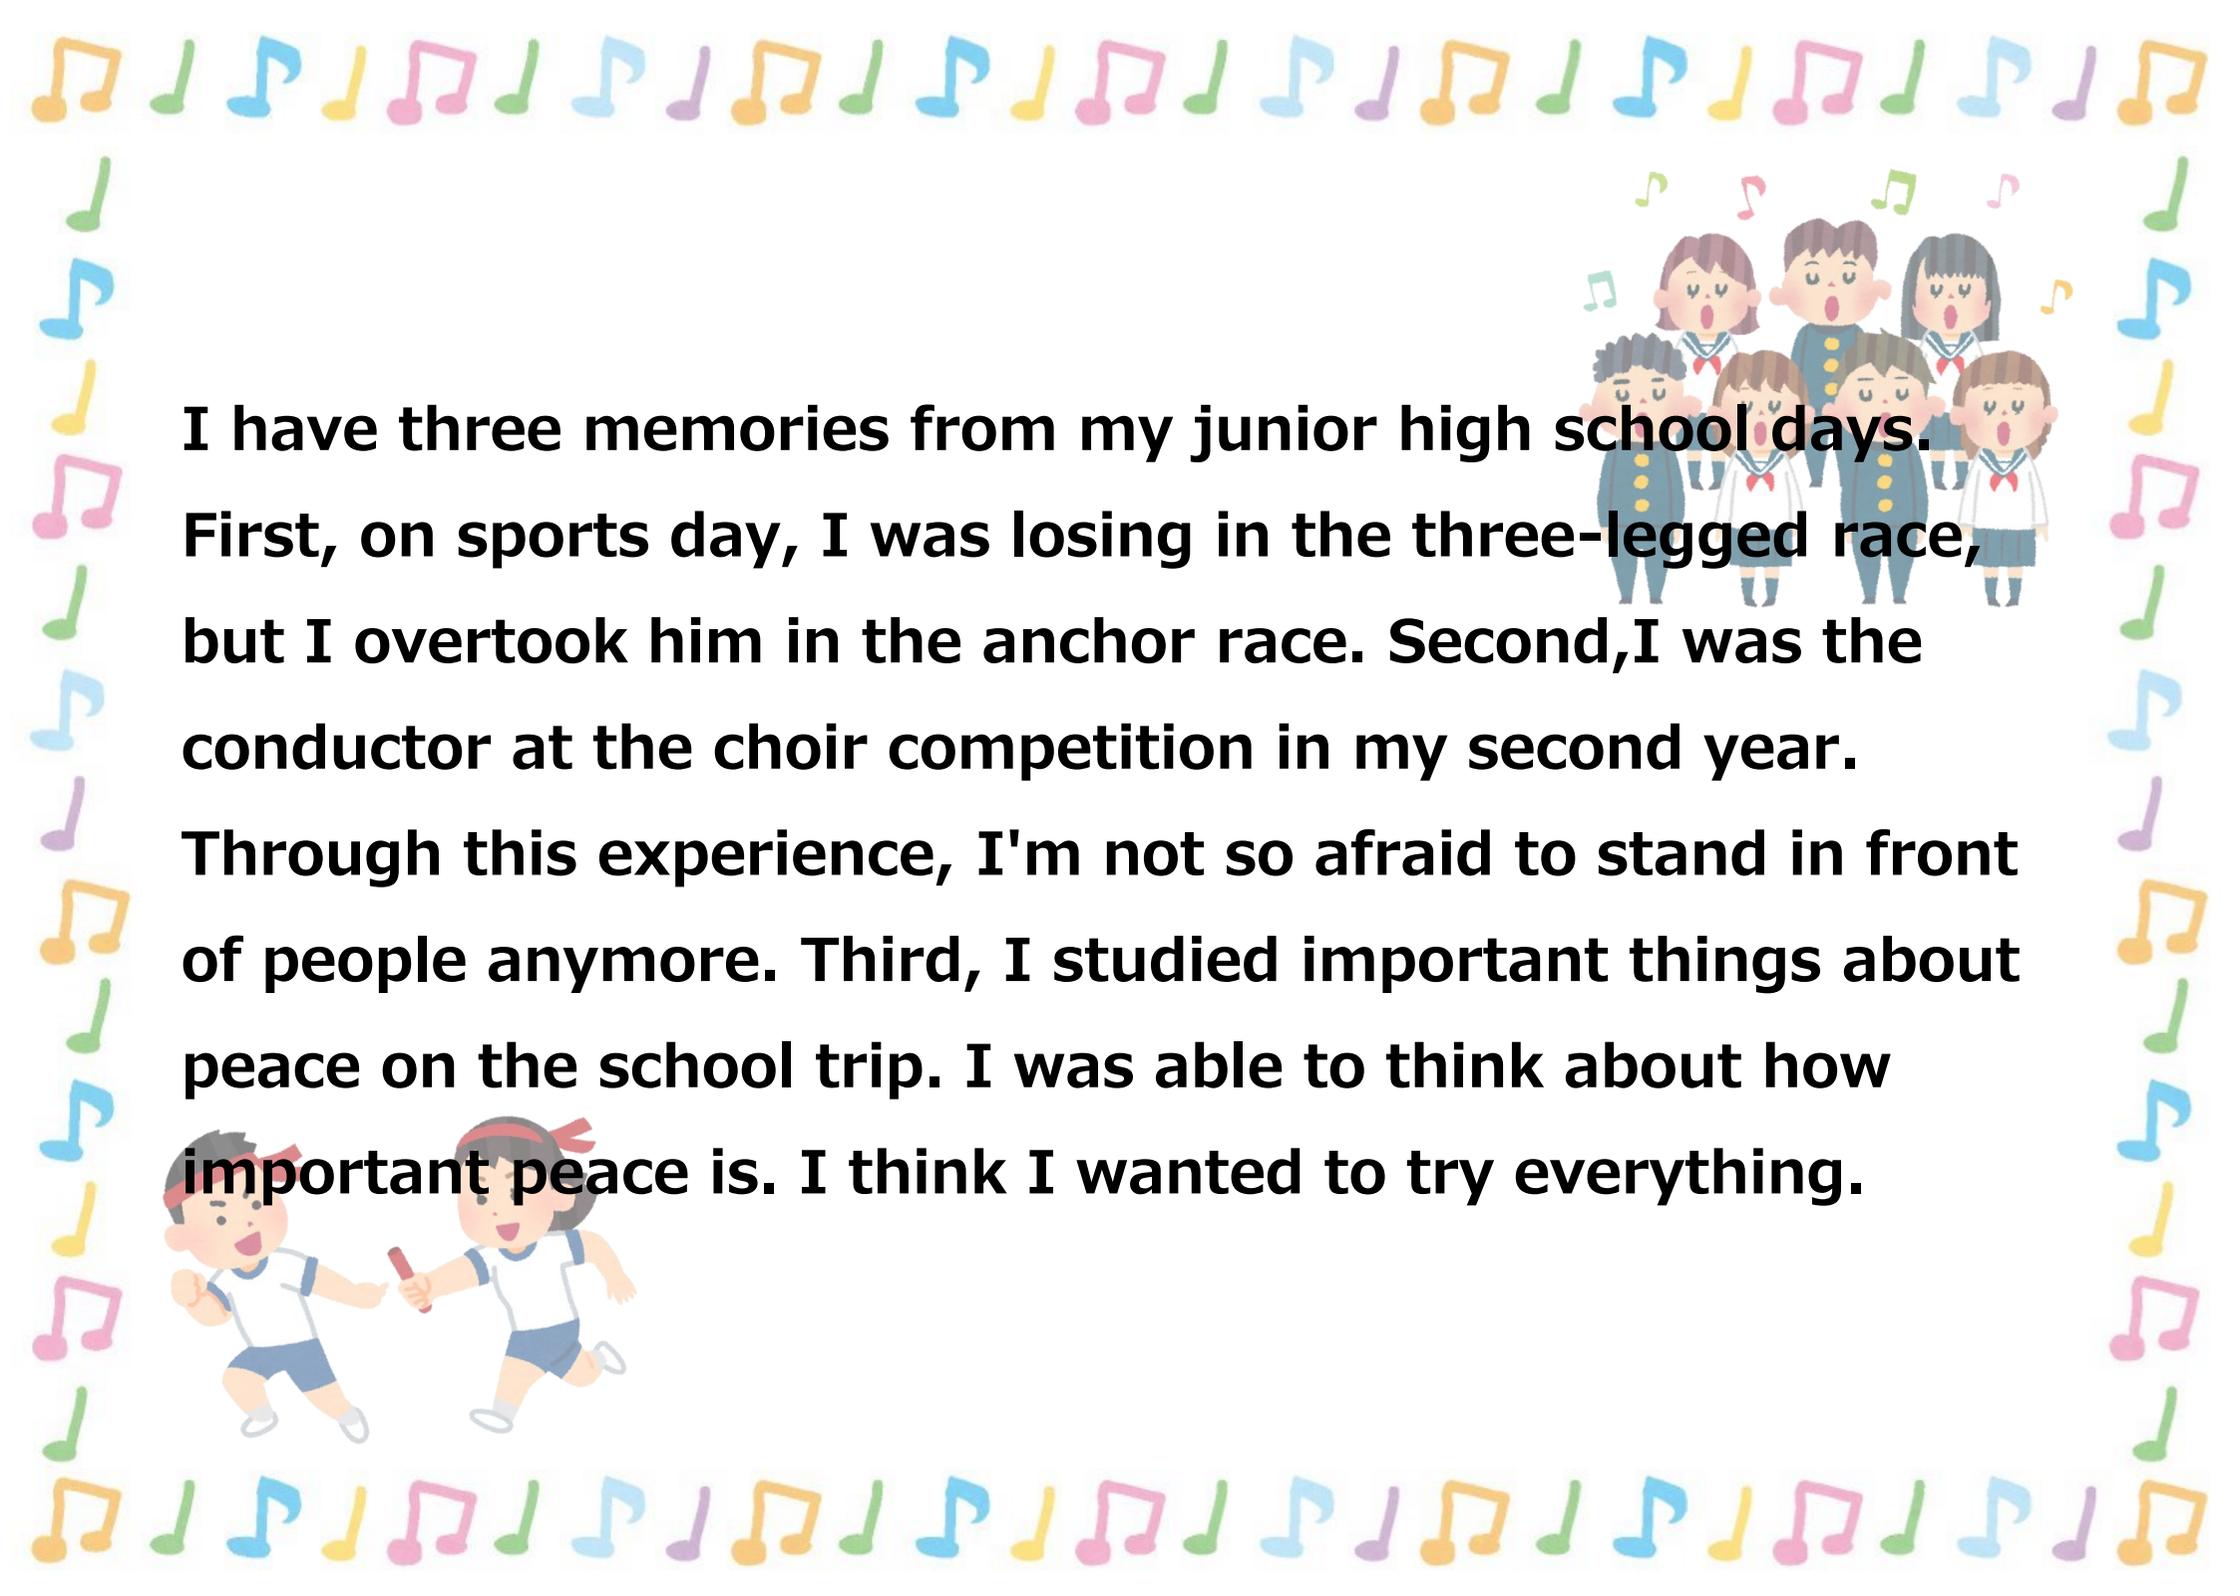

My Favorite Memory These three years were so special. I learned a lot in junior high school. My favorite memory of junior high school was sports day. At first, I was very anxious. In the end, it was a lot of fun and a good memory for me. It was cool and exciting. I practiced the difficult dance and cheering hard every day. I have never had such an experience. I learned the importance of teamwork. I will never forget the cheer team.

Y.K.

My favorite of junior high school was our school trip to Hiroshima. Private lodging experience was the most enjoyable to me, because it had lots of nature.

I have three memories from my junior high school days.

First, on sports day, I was losing in the three-legged race, but I overtook him in the anchor race. Second, I was the conductor at the choir competition in my second year.

Through this experience, I'm not so afraid to stand in front of people anymore. Third, I studied important things about peace on the school trip. I was able to think about how important peace is. I think I wanted to try everything.

These three years were so special. I had a very good time with my classmates. My favorite memory of junior high school was school trip. The first day, I ate Hiroshimayaki. It was very delicious. After that, I went Hiroshima Memorial Park. On the second day, I went fishing on a boat. After that, I went to a beautiful hotel. The food there was delicious. Last day I went to the zoo and the amusement park. Those were very interesting. I will never forget the school trip. I learned Hiroshima.

S.S.

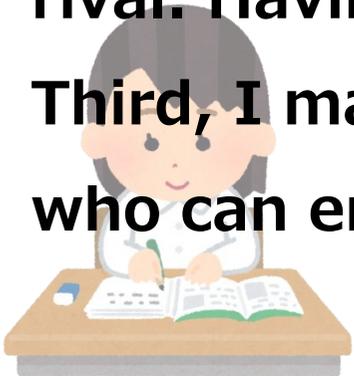

I went on a school trip to Nagasaki. I went to Aoshima by boat. I enjoyed fishing. I caught three fish. It was so big. I cooked with my friend. It was very fun but difficult. The food was very delicious. I also went Dazaifu. I bought ice cream and Dekopon juice in Dazaifu. It was very delicious. I saw the komainu in Dazaifu. This school trip was a great memory for me. I had a good time.

My best memory is my days in the track and field club. There are three reasons. First, the track and field club has helped me grow the most. When I was in elementary school, I didn't have any particular strengths. However, after joining the track and field club in middle school, I became good at running. And I learned many things in the track and field club. The second reason is that I gained a rival. Having a rival made me want to become stronger. Third, I made some good friends. Because I made friends who can encourage and cooperate with each other.

This sports festival was very special for me. I became a cheerleader, so i tried to lead everyone. Our team made the dance together from the beginning, and it was hard but fun. We couldn't win the games, but we won the dance, so I was very happy. But now it is also a good memory.

"I worked at a library for our work experience program. I was working at the counter. When I was in trouble, the staff was quick to help me kindly. I was very glad. I had a valuable experience there. I would like to share two experiences. First, I saw a newspaper which was when I was born. I was happy to see it. Second, I was told about some of the library facilities. For example a machine for the blind. That can read books. I didn't know that machine. I'll never forget these experience, and it's my favorite memory."
