School Trip to Hiroshima

My favorite memory of junior high school was our school trip to Hiroshima. We all got on the Shinkansen. We ate sweets and talked about various things. On the first day, we learned about the war at the Peace Memorial Park. On the second day, we went to Miyajima. We went on a food tour of Miyajima and bought a lot of souvenirs. At the homestay, we were able to have various experiences, such as rice planting. It was so much fun

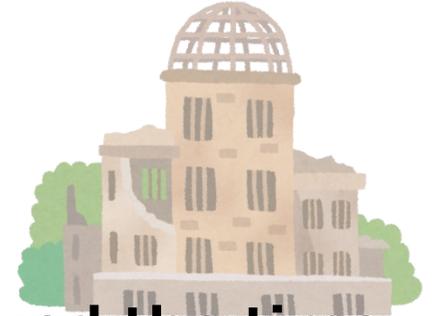

MY BEST MEMORY

My best memory is going on a school trip. I went to the Atomic Bomb Dome. I felt history. I went to Miyajima. In Miyajima, we went to the aquarium. The penguins were cute. The food in Miyajima was delicious. The momiji manju was especially delicious. After that, I did a home stay. I did the zip line. I chopped firewood there. I made curry. The bath in the house was very hot. My friend was afraid to go to the toilet. There was a lot of fun and it became a good memory.

School Trip to Hiroshima

My best memory is the school trip. I really enjoyed the time I spent there because I have experienced a lot. I learned about the history of Hiroshima. I talked about it with my friends. Also, in Miyajima, I ate some famous foods and drank some juice. It was so delicious. At the aquarium, we were able to see many different kinds of fish and animals. I had a lot of fun on this school trip, so I want to go there again.

Memory

My favorite memory of Junior high school is school trip to Hiroshima. I learned many important things in Hiroshima. We became good friends with homestay family. Talking with that person is important memory. And I could get along with my friend of my school. And the tempura made from wild vegetables we all gathered together was absolutely delicious. They surprised me when we said goodbye .I still remember it. This memory was good time from my junior high school days. I want to go to Hiroshima again.

These three years were meaningful. I learned a lot in junior high school. My favorite memory of junior high school was the student council. It was very hard. But I can get many good experiences. At first, When I joined the student council, I didn't know anything about the student council. But I felt excited. In student council the members were very kind to all people so I decided to become kind and clever too. To become it, I worked hard how to talk to anyone and study hard. At first it was very difficult for me but I did it. It was my best memory in my life and the most challenging memory.
