

My first year class was fun, and the most enjoyable thing was the trip.

I had fun playing with my friends in the room during sleepovers.

I also had fun playing in the bath with my friends.

When it was time to go to bed, one of my friends forgot his pajamas, so the boy tried to sleep in his underwear. It was funny.

The atmosphere was great when we were studying, and studying every day was so much fun.

## School Trip

My best memory is the school trip.

We went on a school trip at the beginning of our third year.

On the first day, we ate okonomiyaki.

After lunch we went to see the Atomic Bomb Dome.

On the second day, we went to Miyajima.

I saw some fish at the aquarium.

The lemon sour was very delicious.

I was surprised to see so many deer.

On the third day, we experienced a home stay.

It was a great experience

## Fun Club Activities

I was a member of the basketball club. I could make new friends. The practice was very hard. But I also made a lot of fun memories. First, when I score a goal in a game. Second, this was the first time I won a game. At the last game, I could win for the first time. I was able to win. So, I was thankful to all the practice I had done up until then. I would like to use that experience in high school as well.

## 「My Great Friends」

My best memory of junior high school is talking with my friends.

Because it always help me learn many new things.

For example, my friends not only taught me how to use a computer, but also gave me many advice in P.E. class.

When I was in trouble, they always helped me.

In addition, it always made me happy.

When I was too tired to study hard,my friends spoke to me kindly.

So my feeling became better and I could make an effort.

All my friends are very kind and important to me.

My fondest memories are of school trips. Of all the school trips, Miyajima is the most memorable. The deer and momiji manju were cute and delicious. I also really enjoyed staying at the hostel with my friends.
